As you have already been advised instruments appointing substitutes dated prior to the 1st of January, 1912, cannot, under the provisions of the Volunteer Bounty Act, 1912, be accepted or registered by this Department, and the instrument above referred to is, therefore, returned to you unregistered, together with Certificate No. 3312, which has not been entered.

Memorandum :-

I beg to return your Ref. No. [illegible], and to report that the certificate referred to by Mr. [illegible], of Weber, Short, [illegible] Collingwood, in favour of [illegible] certificate No. [illegible], issued to Anthony [illegible], of [illegible]ville, Ontario, This certificate has not been located, nor has any instrument exercising the substitute been registered here.

It appears, however, that Mr. Barber signed an instrument exercising [illegible] certificate in 1911, which was not signed. He was then induced to sign another instrument dated in 191[illegible], for which he received $100.00, and is now being requested to sign a third instrument, which he refuses to do without additional payment.

Mr. Barber, the volunteer, has also written the Department from Toronto, Ontario, stating that [illegible] called at his house and paid a telegram saying that, since he signed the Power of Attorney, he would be responsible for the loss of the land to the owner.

I think, as the instrument has not been filed here, that the dispute between the volunteer and the holder of the instrument exercising the certificate, is a matter in which the Department should not interfere, and that both Mr. Todd and Mr. Barber should be advised to that effect.

In reply to his request, Mr. [illegible] should be informed that it has been decided to not [illegible] returned for six months but possibly twelve months [illegible]

Gentlemen,- Re. Your File No. 6931.

In reply to your letter of the 14th ultimo, File No. 6930, respecting Scrip issued from Volunteer Bounty Land Certificate No. 341, issued to Thomas E. Harker, of Carbonville, Sask., and to an instrument appointing Walter Thornton, of Spirit River, his substitute, duly witnessed, however, not containing particulars here, and requesting information on behalf of Mr. Thornton, he is endeavouring to obtain another instrument of substitution from the Volunteer, I am directed to inform you that the substitute (whom the volunteer has named) holder of the instrument may obtain his substitute in the matter in which the Department cannot interfere.

In your favour, however, it has been decided to put forward to extend for one month and possibly twelve months the time for the issuing of scrip from Volunteer Bounty Land Certificates, on the same terms and conditions as are considered in the Volunteer Bounty Act 1 & 2, of that, in the meantime, the certificates are issued for sale as formerly.

In this connection I may say the Department cannot undertake to communicate with the volunteers in order to obtain instruments of substitution.

Sir,

Replying to your letter of the 3rd ultimo, requesting that South African Volunteer Bounty Land Certificate No. [illegible] issued to you, and to an instrument appointing your substitute, [illegible], be not registered here, and stating that attempts are being made to force you to sign another instrument of substitution, I am directed to inform you that the matter between yourself and the holder of the instrument appointing your substitute is a matter in which the Department cannot interfere.

In this connection, I am to inform you that it has been decided to extend for six months and possibly twelve months the time for the location of South African Volunteer Bounty Land Certificates, on the same terms and conditions as were provided in the Militia Bounty Act, 1908, and that, in the meantime, South African Bounty Land Certificates are receivable for entry as formerly.

I am also to advise you that instruments appointing substitutes dated after the 1st January, 1911, accompanied by the certificates issued to the volunteers, and otherwise satisfactory, may be registered here and the certificates entered in favour of the substituted owners thereof as heretofore provided.

the school, but is a strip of land lying between these two straight lines, even though the travelled road may lie without this strip.

The correct position of the Government road allowance is represented by the black lines on the enclosed sketch. It is possible, however, that there may be a bend in this road allowance at the quarter-section corner, caused by the post at this corner being either north or south of the straight line joining the posts at the section corners, as shewn on the sketch. The position of the school is shewn coloured blue. If this sketch does not represent conditions as they are on the ground, I am to request you to forward a sketch carefully drawn, and giving all the necessary information, shewing conditions as they are, and also being careful to shew whether the post at the quarter-section corner is on the straight line joining the section corners, or whether it is to the north or south of it, and to state whether the southern boundary of the school site coincides with the northern limit of the Government road allowance, as defined above, or whether it is one chain north from it.

Sir,

Re S. E. ¼ 5—34—5 W. 5th M.

Replying to your letters of the 7th August last and 25th ultimo, I am directed to express regret for the delay in answering, which was caused by the first-mentioned letter and enclosure having been attached to the wrong file of papers.

I am to say that apparently the school site on the above quarter-section does not front on a surveyed road, and, if this is the case, the patent cannot be issued for the site as described in your letter of the 15th August, 1910. Your letters indicate that there is a bend of one chain in the Government road allowance just at the point where the school is located, and on this account the school site has been placed back one chain from the road allowance, but is on the south boundary of the quarter-section. The southern limit of the Government road allowance is the straight line joining the post at the north-east corner of Section 34—33—5 W. 5th M. to the post at the quarter-section corner on the north boundary of the same section; and the northern limit of the road allowance, which is also the south boundary of the S. E. ¼ of Section 5, is a straight line parallel to the southern limit, and one chain north from it. The Government road allowance, therefore, has no bend opposite

Replying to your letter of the 6th ultimo, covering a declaration in connection with the sale to Rockwood School District No. 2103 of part of the above mentioned quarter section, I am directed to say that it has been decided, under the circumstances, to waive the forfeiture incurred by Mr. W. L. Livesley for selling, prior to the issue of patent, a portion of his homestead, but that before the patent for the school site in question can be issued, it will be necessary for the School District to remit an additional amount of $3.20 in payment for the strip of land, 0.32 acre, added to the one acre already paid for.

Sir,

Re S. E. ¼ 3—34—5 W. 5th M.

Replying to your letter of the 16th instant, respecting the school site on the above quarter-section for the Rockwood School District No. 2103, I am directed to say that the demand for an additional amount of $5.20 in payment for the strip of land, 0.52 of an acre, to be added to the one acre already paid for, was made in accordance with the practice of the Department to sell lands required for school site purposes at the rate of $10 an acre. Mr. W. L. Livesley had no right to sell the said strip of land, and he had to be relieved by the Deputy Minister for the forfeiture of his homestead incurred by his so doing. The Department, in deciding to sell to the School District the extra strip required, considered only the fact that the homesteader was willing to have the same withdrawn from his entry.

land 10 days.

Cancellation proceedings were instituted on the 31st of December last, as the homesteader apparently obtained same through fraud, having filed under an assumed name, his correct name, it would appear, is Iwan Perlejko, who at the time entry for the above mentioned land was granted, held as a homestead, the N.W. ¼ of Section 26, Township 35, Range 13, West of the Fourth Meridian, which he abandoned on the 20th of August last.

The homesteader filed a defence on the 3rd of February last, and from the evidence submitted he apparently had failed to perform any residence or improvements on the land up to that time; also denied the statement that he had obtained entry under an assumed name.

The Agent of Dominion Lands at Edmonton was requested to have the matter thoroughly investigated, and obtain a Homestead Inspector's report, which

COMMISSIONER

OTTAWA 18th June, 1918.

Memorandum.

Mr. Hume.

Re N.W.T. 54-2r-16, W.4th M.
Soldier Grant - Walter W. Shoults.
Entry granted 22rd June, 1918.

The above described land was originally the pre-emption of the present entrant's father. The father abandoned the pre-emption entry in favour of his son on the 27th June, 1918. The son was informed that the entry was granted subject to payment for the balance of the purchase price and payment of the seed grain indebtedness of the father. The son, however, has not to date paid anything on account of the purchase price of the land.

The seed grain indebtedness of the pre-emptor has been paid in full. There is now no record of seed grain encumbrances.

Inspector Mowbray while on collection work in the district reported on the 20th ultimo as follows:-

"C.W.Shoults died in October 1918 and W.W.Shoults "took this land as a Soldier Grant and claims there "is nothing to pay on it. I can make no collection, "and would suggest that you advise Mr.Shoults fully "in regard to this."

The present entrant has completed 150 acres of breaking on the land and it is quite probable that he has complied with the settlement conditions of the soldier grant entry.

I would suggest in view of the decision of the Commissioner dated the 24th April, 1918, to dispense with payments in all cases where a pre-emption entry has been abandoned by the pre-emptor in favour of a relative to secure the land as a homestead that the Land Patents Branch be authorized to close out this account and that the settler be informed that he will be relieved of payment for the land on the terms of the original pre-emption entry and allowed to make application for patent provided the required settlement duties have been completed.

Memorandum

Mr. Hume.

N.E.¼ 3--28--16 W. 4th Mer.(Area "B").
Pre-emption - Thos. H. S. McGowan.
Entry granted - 26th October, 1910.

The entrant made application for patent on the 13th August, 1920, claiming sufficient duties completed as shown on form #58B. marked. The application for patent has been held up on account of non-payment of the purchase price.

Inspector Cloakey reported on the 22nd October last that this man left the district four years ago and he could not find out where he was; that there was some old fence on the quarter but it was in bad repair and of no value; land rough and sandy and of no value for farming and no one could earn patent for same under the stock clause of the homestead regulations. He recommended that the entry be cancelled and the land made available for grazing.

According to the Patents Branch there is $712.41 due on account.

Cancellation proceedings were instituted against the entry on behalf of the Department on the 5th December last on the grounds of non-payment of the purchase price. No defence has been filed.

The Agent now asks to be advised as to what action is to be taken in connection with the proceedings pending.

In view of the evidence furnished by the Inspector and as the entrant has failed to file a defence, I would suggest that the Agent be instructed to carry out cancellation and to post the land for grazing purposes only.

Sir,

I am directed to acknowledge the receipt of your letter of the 1st instant, and to say that, as you were advised by the Departmental letter of the 9th December, 1 10, it was decided that you might have the fractional S.W.4 of Section 15, Township 19, Range 16, West of the Fourth Meridian, containing 4 .1 acres, added to your homestead, the fractional S.W.4 of the same section, the excess area of 14.90 acres to be paid for at the current rate of $1.00 an acre.

I am further to point out that, in your letter of the 17th idem, you state that upon notice being satisfactory and I am to add that you should without delay make payment of the whole or one-fourth of the purchase money, for the excess area to the Agent of Dominion Lands at Calgary, to whom a copy of this letter is being sent, for his information.

MEMORANDUM

Mr. Harvie.

RE-Fr. S.W.¼. 25, Tp. 29,
Rge. 16, W. 4th Meridian.

In accordance with the then Acting Commissioner's memorandum of the 16th August, 1910, Mr. T. W. Ditchfield was granted permission to have the above described quarter section added to his homestead for the South East quarter of Section 25; the excess area to be paid for at the current rate ($3.00 per acre).

The terms of the purchase were not complied with and the homestead on the South East quarter of Section 25 was patented on the 17th March, 1916, but the fractional South West quarter of Section 25 was not included and the records of the Department show the area to be vacant except for the notation that the fraction was to be added to Mr. Ditchfield's homestead entry.

As the area to be added to the homestead was not included nor the excess area paid for, I would recommend that the permission be withdrawn in order that the land may be made available, as the Agent of Dominion Lands at Calgary states that he has an inquiry from the Secretary-Treasurer of the Municipality as to whether Mr. Ditchfield holds any interest in this land.

As the question of negotiating with the present owners for the exchange was a Parks Branch matter, that Branch was furnished, on the 14th July, 1925, with the information secured by Inspector Cunningham.

The Parks Branch now represents that Mr. Caslick is willing to exchange for other available Dominion Land and asks that he be furnished with a letter, authorizing him to make a selection, which he can present to the Agent.

There would appear to be no objection to allowing Mr. Caslick to select a half section of vacant and available Dominion Land and have it reserved for him until the land he now owns, adjoining Buffalo Park, has been fully vested in the Crown free of all encumbrances and taxes.

A sketch, showing position of land, is attached hereunder.

MEMORANDUM:

Mr. Perrin.

Exchange of lands, Buffalo Park,
Wainwright, Alberta.
W.½ 13-44-7, W.4th Meridian.
Patented homestead & pre-emption.
George O. Thompson.
Now owned by - R.B. Caslick.

This half section adjoins Buffalo Park and the Parks Branch wants the land for inclusion therein. Please see the Assistant Commissioner's memorandum of the 16th instant asking for a statement.

In April, 1925, Parks Branch represented that the owners of Section 12, 13 and 24, Tp. 44-7, W.4th M. adjacent to the East boundary of Buffalo Park, were anxious to secure an exchange for other available Dominion Land.

It was decided to have an Inspector visit the three sections and furnish a report as to the value of the land, improvements thereon and price wanted by the owners.

Inspector Cunningham reported as follows on the W.½ 13:

"N.W. 13-44-7, W.4th M.
"Present owner - R.B. Caslick.
"Sandy soil. 80 ac. fit for cultivation.
"Improvements worth $817.00
"Value of land $6.00 per acre.

"This man will not exchange for other
"land. He wants $10.00 per acre for his
"holdings and be permitted to take off
"the fence and bldgs. In my opinion this
"land in the wild state would be worth
"$4.00 per acre only. Municipal and
"school tax due $37.44. No mortgage."

"S.W. 13-44-7, W.4th M.

"Sandy soil. 90 ac. fit for cultivation.
"Improvements worth $295.00.
"Value of land $6.00 per acre.

Memorandum:

Mr. B. Scott.

Re: Application R. B. Caslick for an exchange of W.½ Section 13, Township 44, Range 7, West of the 4th Meridian.

Referring further to your telephone request this morning I beg to advise you that Mr. R. B. Caslick has applied to the Department for an exchange of his present holdings, viz. N.½ of Section 13, Township 44, Range 7, West of the 4th Meridian, adjacent to the east boundary of Buffalo Park Reserve for other available Dominion lands.

I might say the Department has approved of including in the Buffalo Park Reserve all the lands in Township 44 adjoining the east boundary of Buffalo Park and allowing the settlers thereon the privilege of selecting other available lands in lieu of same. It is understood, of course, in the event of an exchange that all mortgages, liens or encumbrances standing against these lands shall be removed before title is revested in the Crown and that the Department will not assume or be responsible for any financial obligation whatsoever in connection with the exchange.

In connection with the present application I should be glad if you would arrange to have whatever land Mr. Caslick may select reserved for him until such time as an exchange can be completed.

Sir:

W.½ 13-44-7-W. 4th Mer.

I beg to inform you that Mr. H.C. Cuttle, Superintendent of Agencies, Edmonton, has written the Department on your behalf regarding your consent to surrender the half section above described to the Crown in order that it may be included in the Buffalo Park Reserve.

It has been decided to allow you to select a half section of vacant and available Dominion land in lieu of the half section you are surrendering and you will be allowed a period of six months from this date in which to do so. When you have decided what land you wish to acquire, you should appear before the Agent of Dominion Lands for the district in which the land is located and make application to have the land reserved in your favour until you have reconveyed your patented homestead and pre-emption to the Crown free of all encumbrances and local taxes. You should surrender this letter to the Agent.

Before your selection can be confirmed, it will be necessary for you to furnish this Department with a Deed of Transfer in favour of the Crown covering the half section you are surrendering. It is understood, of course, in the event of an exchange that all mortgages, liens or encumbrances standing against these lands shall be removed before title is revested in the Crown and that the Department will not assume or be responsible for any financial obligation whatsoever in connection with the exchange.

Sir,-

I beg to acknowledge the receipt of your letter of the 31st ultimo, and in reply am to inform you that it was found necessary to cancel your homestead entry for the S. E.¼ of Section 14, Township 34, Range 7, West of the 4th Meridian, owing to the Sub-agent at Castor, before whom it was made, having acted unfairly towards another person who also applied for an entry the same morning.

This person, namely, Mr. K. Morenko of Castor, Alberta, was on the 15th ultimo granted thirty days from that date within which to come forward and secure re-entry, paying $14.00, the Homestead Inspector's valuation for the improvements.

It will be necessary, under these circumstances, for you to at once vacate the land, but in view of the improvements which you claim to have made the Agent of Dominion Lands at Calgary is being instructed by a copy of this letter to detail a Homestead Inspector, in the event of Mr. Morenko obtaining re-entry within the time stated, to visit the land and furnish a careful report with regard to the value of the improvements made by you and the amount fixed by him will be refunded you as soon as it has been
